## ABOUT US

It is with great pleasure that we can proudly introduce **B CUBE** Consulting, a registered South African Security Service Provider that specializes in bespoke security and logistics support services to International Sports teams and alike, whilst touring South Africa. BCube remains compliant with statutory requirements and carries mandatory security liability insurance.

For over **18 years** BCube has remained at the forefront in servicing this niche high profiled market, executing over **three hundred (300) successful Sports Security Missions** to a blend of sports teams from **seven (7) countries, across three (3) continents**, representing both Northern and Southern hemispheres.

BCube provides **touring sports teams** with comprehensive services that include embedded **security professionals** that are handpicked, seasoned industry consultants with **extensive local knowledge** and high level's of **professionalism** across both hard and soft skills.

Our service standard through word of mouth has been the driving force and forefront of BCube's successful service record and growth to date.

# SERVICE OFFERINGS

## SECURITY RISK MANAGEMENT

BCube's flagship service preparation starts well before any teams arrival in country. From arrival at port of entry, whilst in country and until wheels up on departure, Security Professionals remain embedded with the team and engage holistically with stakeholders in a continuous effort to ensure team Safety and Security is well looked after and aligned to support team operations.

The scope of this service has matured over the years and is best introduced through Bcube's **six (6) core disciplines**:

Pre Tour  
Preparation

Team Security  
Awareness  
Briefing

Security Awareness  
& Daily Advisory

Team Journey  
Management

Down Time  
Activities

Emergency Response  
Management

## **PRE TOUR PREPARATIONS**

Advance recce's that may include formal Security Risk Assessments of hotels, sporting venues, recreational facilities and journey management considerations.

## **TEAM SECURITY AWARENESS BRIEFING**

Based on the prevailing threat spectrum of the destination city the team is briefed on local security awareness with considerations to the teams planned itinerary.

## **SECURITY AWARENESS & DAILY ADVISORY**

Proactive security advisory to both team management and players based on security tradecraft, local knowledge and through an established national security partner network, able to monitor potential adverse atmospherics that may impact operations.

## **TEAM JOURNEY MANAGEMENT**

Journey management in support of timely and safe team travel to and from training & match day venues are effectively co-ordinated with stakeholders.

## **DOWN TIME ACTIVITIES**

Coordinating with stakeholders to ensure safe and appropriate group activities are available at reasonable rates in support of clients making the most of down times/ days off.

## **EMERGENCY RESPONSE MANAGEMENT**

Coordinating with BCube's partnered National Operations Centre maned 24/7 entrusted with operational support to deployed Security Professionals. On-site emergency response management to security related incidents, liaising with local law enforcement, emergency response teams and medical facilities.

# SERVICE OFFERINGS

## LOGISTICAL SUPPORT

BCube's supplementary logistical support service dovetails into its flagship service and contributes to the overall success of sports group tours.

**Service offerings include:**

**Established  
National Sports  
Facility Network**

**Team Laundry  
Services**

**Pasenger &  
Kit Mini-Van  
Rentals**

**Secure Luggage  
& Kit Transfers**

**Team Bus  
Rentals**

## **Established National Sports Facility Network**

Effectively liaise with sports bodies, franchises, stadiums, clubs, high performance centers and schools on a national level, in support of acquiring quality training pitches, gym facilities and equipment.

## **Team Laundry Services**

Proven to be competitively priced and reliant team laundry services – national support.

## **Passenger & Kit Mini-Van Rentals**

Mini-Van rental's with both passenger configuration and kit transfer capability. Mini-Van's have proven to be an essential support element used predominantly for pre-training and matchday setup. These vehicles provided a value add in support of injury related Doctor visits, ADHOC management/ player logistic runs etc.

## **Secure Luggage & Kit Transfer**

Secure luggage transfer is an essential logistical element for all sport's team's touring in South Africa, be it from the airport to hotel and / or from City to City. Road transport of luggage & kit has proven to help facilitate a smooth check-in at airports, when dealing with domestic flight travel and mitigates lost, tampered with and / or stolen luggage items.

## **Team Bus Rental**

Reliable team bus/coach of all sizes dependent on team requirements – national support.

# NATIONAL SUPPORT

BCube's service offerings are available in most major cities in South Africa.
