21 YEARS

OF EARNED TRUST

BCube Consulting marks 21 years of earned trust in the specialised field of sports security and logistical support services. Since its establishment, BCube has become a trusted partner to international sports teams touring South Africa, delivering bespoke security and support solutions tailored to the demands of high-profile sporting environments.

Over more than two decades, BCube has built a reputation founded on local expertise, careful planning and consistent delivery. Our highly experienced team of embedded security professionals brings extensive on-the-ground knowledge, ensuring every assignment is managed with professionalism, discretion and attention to detail across both hard and soft operational skills.

Throughout these 21 years, BCube has remained at the forefront of this niche industry, with growth driven largely through long-standing relationships and word-of-mouth referrals. This sustained trust has resulted in the successful execution of hundreds of security operations across multiple countries and continents.

Our 21-year journey reflects a legacy of reliability, integrity and client confidence — values that continue to define BCube Consulting and guide the company as it looks to the future.

SERVICE OFFERINGS

SECURITY RISK MANAGEMENT

The scope of this service has matured over the years and is best introduced through **BCube's six (6) core disciplines:**

PRE-TOUR PREPARATION

Advance recce, that may include formal Security Risk Assessments of hotels, sporting venues, recreational facilities and journey management considerations.

TEAM SECURITY AWARENESS BRIEFING

Based on the prevailing threat spectrum of the destination city the team is briefed on local security awareness with considerations to the teams planned itinerary.

DOWNTIME ACTIVITIES

Coordinating with stakeholders to ensure safe and appropriate group activities are available at reasonable rates in support of clients making the most of downtimes / days off.

TEAM JOURNEY MANAGEMENT

Safe and timely team travel is coordinated through centralised journey management, supported by our National Journey Management Centre (JMC) as a single point of contact, providing oversight and support to security resources on the ground.

SECURITY AWARENESS & DAILY ADVISORY

Proactive security advisory to both team management and players based on security tradecraft, local knowledge and through an established national security partner network that is able to monitor potential adverse atmospheric conditions that may impact operations.

EMERGENCY RESPONSE MANAGEMENT

Coordinating with the National Journey Management Centre (JMC) manned 24/7, and entrusted with operational support to deployed Security Professionals. On-site emergency response management to security related incidents, liaising with local law enforcement, emergency response teams and medical facilities.

LOGISTICAL SUPPORT

BCube's supplementary logistical support service dovetails into its flagship service and contributes to the overall success of sports group tours.

Service offerings include:

ESTABLISHED NATIONAL SPORTS FACILITY NETWORK

Effectively liaise with sports bodies, franchises, stadiums, clubs, high performance centers and schools on a national level, in support of acquiring quality training pitches, gym facilities and equipment.

SECURE LUGGAGE & KIT TRANSFERS

Secure luggage transfer is an essential logistical element for all sports teams touring in South Africa, be it from the airport to hotel and / or from City to City. Road transport of luggage & kit has proven to help facilitate a smooth check-in at airports, when dealing with domestic flight travel and mitigates lost, tampered with and / or stolen luggage items.

PASSENGER & KIT MINI-VAN RENTALS

Mini-Van rentals with both passenger configuration and kit transfer capability. Mini-Van's have proven to be an essential support element used predominantly for pre-training and matchday setup. These vehicles provided a value add in support of injury related Doctor visits, ad hoc management/ player logistic runs etc.

TEAM BUS RENTALS

Reliable team bus/coach of all sizes dependent on team requirements – national support.

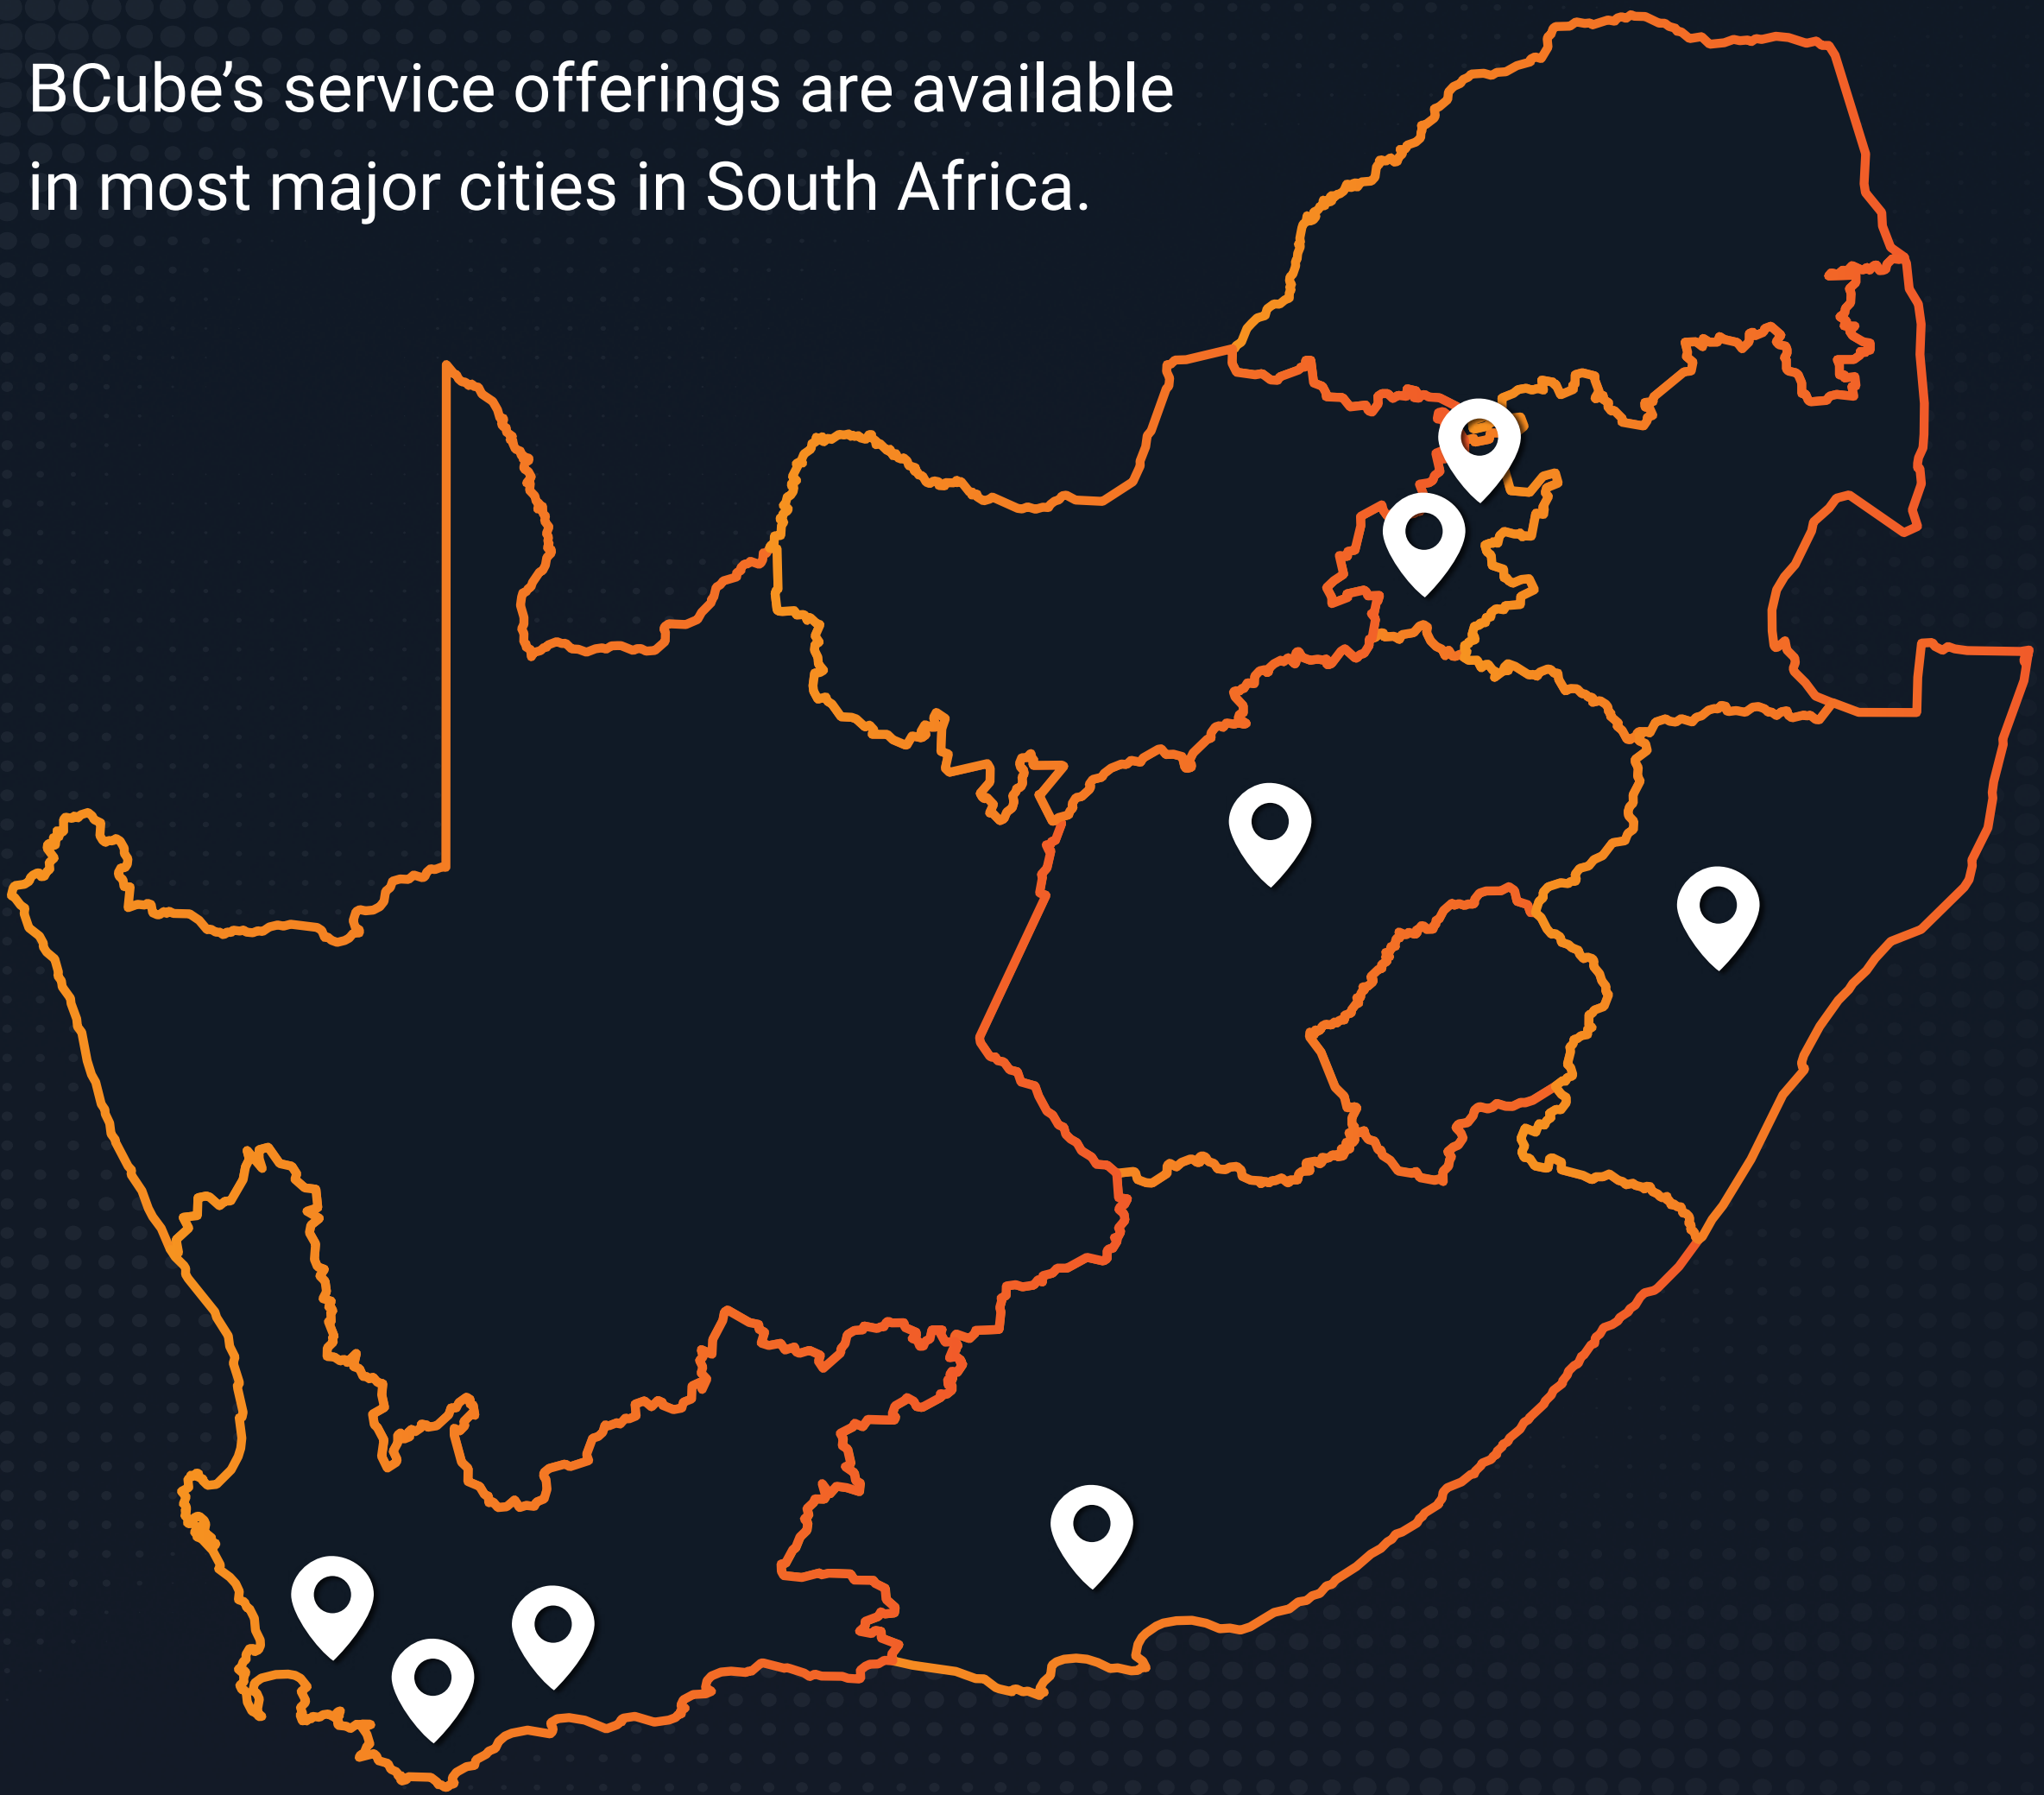

TEAM LAUNDRY SERVICES

Proven to be competitively priced and reliable, team laundry services – national support.
